

Feeling lonely?

Do you enjoy the company of others?

Would you like to do something different than sit at home?

Social Seniors might be for you

☺ **Senior Gents** - this group of men meet once a month on the first Tuesday of each month for morning tea and a social morning. They may have a guest speaker, go for a day out together or head off to a local for lunch.

☺ **Tuesday / Thursday Social Seniors** - come along for a social day that includes morning tea and lunch. These days can have anything from a guest speaker, Craft and games, trivia to mystery drives or a visit from the pre-school kids.

☺ **Wednesday Crafters** - sit, knit, craft and natter. Bring your own project and have some company while you work away... we always stop for a cuppa!

☺ **Card and Game Players** - nothing serious, just an afternoon of friendly games and a lot of laughs

☺ **Day Trips** - depending upon what's going on in the area we head out for the day and see the sights. These days can be long and sometimes, depending upon where we are going, may require a bit of physical fitness and mobility.

☺ **Splinters Woodworking** - for those who are interested in a bit of woodwork, we have a workshop for you to work on your own project. There are volunteers available to provide a bit of help and guidance, however, you need to be able to complete the project yourself
